| Clonality                   | Polyclonal                                                                                                                                                                                                                |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                        |
| Isotype                     | IgG                                                                                                                                                                                                                       |
| Conjugate                   | DyLight 550                                                                                                                                                                                                               |
| Purity                      | Peptide affinity purified                                                                                                                                                                                                 |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                        |
| Product Description         |                                                                                                                                                                                                                           |
| Host                        | Rabbit                                                                                                                                                                                                                    |
| Gene ID                     | 359948                                                                                                                                                                                                                    |
| Gene Symbol                 | IRF2BP2                                                                                                                                                                                                                   |
| Species                     | Human                                                                                                                                                                                                                     |
| Reactivity Notes            | 0                                                                                                                                                                                                                         |
| Specificity/Sensitivity     | At least two isoforms of IRF2BP2 are known to exist; this antibody will detect both.                                                                                                                                      |
| Immunogen                   | IRF2BP2 antibody was raised against an 17 amino acid synthetic peptide near the amino terminus of human IRF2BP2. The immunogen is located within amino acids 150 - 200 of IRF2BP2. Amino Acid Sequence: KLEEPPELNRQSPNPRR |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                         |
| Product Application Details |                                                                                                                                                                                                                           |
| Applications                | ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                                                |
| Recommended Dilutions       | ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                    |
