| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                             |
| Isotype                     | IgG                                                                                                                                                                                                                            |
| Conjugate                   | PerCP                                                                                                                                                                                                                          |
| Purity                      | Peptide affinity purified                                                                                                                                                                                                      |
| Buffer                      | PBS                                                                                                                                                                                                                            |
| Product Description         |                                                                                                                                                                                                                                |
| Host                        | Rabbit                                                                                                                                                                                                                         |
| Gene ID                     | 359948                                                                                                                                                                                                                         |
| Gene Symbol                 | IRF2BP2                                                                                                                                                                                                                        |
| Species                     | Human, Mouse                                                                                                                                                                                                                   |
| Specificity/Sensitivity     | At least two isoforms of IRF2BP2 are known to exist; this antibody will detect both. This antibody is predicted to not cross-react with any FOXD4 protein family members.                                                      |
| Immunogen                   | IRF2BP2 antibody was raised against an 18 amino acid synthetic peptide near the carboxy terminus of human IRF2BP2. The immunogen is located within amino acids 440 - 490 of IRF2BP2. Amino Acid Sequence:<br>HSTTRNSNSPPSPSSMN |
| Product Application Details |                                                                                                                                                                                                                                |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence                                                                                                                                                                    |
| Recommended Dilutions       | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence                                                                                                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                         |
