| <b>Gene Symbol</b>                 | SHROOM1                                                                                                                                                                                                                                               |
| <b>Species</b>                     | Human, Mouse, Rat                                                                                                                                                                                                                                     |
| <b>Reactivity Notes</b>            | 0                                                                                                                                                                                                                                                     |
| <b>Specificity/Sensitivity</b>     | SHROOM1 antibody is human, mouse and rat reactive. At least three isoforms of SHROOM1 are known to exist; this antibody will detect only the two largest isoforms. SHROOM1 antibody is predicted to not cross-react with other SHROOM family members. |
| <b>Immunogen</b>                   | Rabbit polyclonal SHROOM1 antibody was raised against a 16 amino acid peptide near the carboxy terminus of human SHROOM1. The immunogen is located within the last 50 amino acids of SHROOM1. Amino Acid Sequence: CDDLGHHPSPSPARPPGT                 |
| <b>Notes</b>                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                                                     |
| <b>Product Application Details</b> |                                                                                                                                                                                                                                                       |
| <b>Applications</b>                | Western Blot, ELISA                                                                                                                                                                                                                                   |
| <b>Recommended Dilutions</b>       | Western Blot, ELISA                                                                                                                                                                                                                                   |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                |
