| Clonality                   | Polyclonal                                                                                                                                                                                                 |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                         |
| Isotype                     | IgG                                                                                                                                                                                                        |
| Conjugate                   | Janelia Fluor 635                                                                                                                                                                                          |
| Purity                      | Peptide affinity purified                                                                                                                                                                                  |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                         |
| Product Description         |                                                                                                                                                                                                            |
| Host                        | Rabbit                                                                                                                                                                                                     |
| Gene ID                     | 346389                                                                                                                                                                                                     |
| Gene Symbol                 | MACC1                                                                                                                                                                                                      |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                          |
| Specificity/Sensitivity     | At least two isoforms of MACC1 are known to exist.                                                                                                                                                         |
| Immunogen                   | MACC1 antibody was raised against a 17 amino acid synthetic peptide near the center of human MACC1. The immunogen is located within amino acids 430 - 480 of MACC1. Amino Acid Sequence: PDFEVKTEGERKEIKQK |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                      |
| Product Application Details |                                                                                                                                                                                                            |
| Applications                | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                          |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry-Paraffin                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                     |
