| Isotype                     | IgG                                                                                                                                                                                                 |
| Conjugate                   | HRP                                                                                                                                                                                                 |
| Purity                      | Peptide affinity purified                                                                                                                                                                           |
| Buffer                      | PBS                                                                                                                                                                                                 |
| Product Description         |                                                                                                                                                                                                     |
| Host                        | Rabbit                                                                                                                                                                                              |
| Gene ID                     | 203328                                                                                                                                                                                              |
| Gene Symbol                 | SUSD3                                                                                                                                                                                               |
| Species                     | Human, Mouse                                                                                                                                                                                        |
| Reactivity Notes            | 0                                                                                                                                                                                                   |
| Specificity/Sensitivity     | SUSD3 antibody is human and mouse reactive. Multiple isoforms of SUSD3 are known to exist.                                                                                                          |
| Immunogen                   | SUSD3 antibody was raised against a 16 amino acid peptide from near the center of human SUSD3. The immunogen is located within amino acids 120 - 170 of SUSD3. Amino Acid Sequence: VKKSKRRRSNRSACL |
| Product Application Details |                                                                                                                                                                                                     |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence, Immunocytochemistry                                                                                                                    |
| Recommended Dilutions       | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence, Immunocytochemistry                                                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                              |
