| Gene ID                     | 80012                                                                                                                                                                                                   |
| Gene Symbol                 | PHC3                                                                                                                                                                                                    |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                       |
| Reactivity Notes            | 0                                                                                                                                                                                                       |
| Specificity/Sensitivity     | PHC3 antibody is human, mouse and rat specific. At least six isoforms of PHC3 are known to exist.                                                                                                       |
| Immunogen                   | PHC3 antibody was raised against a 19 amino acid peptide near the amino terminus of human PHC3. The immunogen is located within amino acids 240 - 290 of PHC3. Amino Acid Sequence: KISQRDPSPESNKKGESPS |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                       |
| Product Application Details |                                                                                                                                                                                                         |
| Applications                | Western Blot, ELISA                                                                                                                                                                                     |
| Recommended Dilutions       | Western Blot, ELISA                                                                                                                                                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                  |
