| Gene Symbol                 | TSHZ1                                                                                                                                                                                                                                                   |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                                                                       |
| Reactivity Notes            | 0                                                                                                                                                                                                                                                       |
| Immunogen                   | Teashirt homolog 1 antibody was raised against a 16 amino acid synthetic peptide near the amino terminus of human Teashirt homolog 1. The immunogen is located within amino acids 70 - 120 of Teashirt homolog 1. Amino Acid Sequence: AHFKGSSSREEKEDPQ |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                                                                   |
| Product Application Details |                                                                                                                                                                                                                                                         |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence                                                                                                                                                                                             |
| Recommended Dilutions       | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence                                                                                                                                                                                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                  |
