## USP25 Antibody - BSA Free

### NBP2-82051

Unit Size: 0.1 mg

Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.

| Isotype                     | IgG                                                                                                                                                                                                          |
| Purity                      | Peptide affinity purified                                                                                                                                                                                    |
| Buffer                      | PBS                                                                                                                                                                                                          |
| Target Molecular Weight     | 105 kDa                                                                                                                                                                                                      |
| Product Description         |                                                                                                                                                                                                              |
| Description                 | Novus Biologicals Rabbit USP25 Antibody - BSA Free (NBP2-82051) is a polyclonal antibody validated for use in IHC, WB, ELISA and ICC/IF. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                        | Rabbit                                                                                                                                                                                                       |
| Gene ID                     | 29761                                                                                                                                                                                                        |
| Gene Symbol                 | USP25                                                                                                                                                                                                        |
| Species                     | Human, Mouse                                                                                                                                                                                                 |
| Specificity/Sensitivity     | USP25 antibody is human and mouse reactive. Multiple isoforms of USP25 are known to exist.                                                                                                                   |
| Immunogen                   | USP25 antibody was raised against a 17 amino acid peptide near the center of human USP25. The immunogen is located within amino acids 470 - 520 of USP25. Amino Acid Sequence: IPSQTLPTTEQQGALS              |
| Product Application Details |                                                                                                                                                                                                              |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry                                                                                             |
| Recommended Dilutions       | Western Blot 1-2 ug/ml, ELISA, Immunohistochemistry 5 ug/ml, Immunocytochemistry/ Immunofluorescence 20 ug/ml, Immunohistochemistry-Paraffin                                                                 |

## Images

Western Blot: USP25 Antibody [NBP2-82051] - Analysis of USP25 in mouse brain tissue lysate with USP25 antibody at 1 ug/ml in (A) the absence and (B) the presence of blocking peptide.

Immunohistochemistry: USP25 Antibody [NBP2-82051] - Immunohistochemistry of USP25 in human brain tissue with USP25 antibody at 5 ug/mL.

Immunocytochemistry/ Immunofluorescence: USP25 Antibody - BSA Free [NBP2-82051] - Immunofluorescence of USP25 in human brain tissue with USP25 antibody at 20 ug/mL.
