| Clonality                   | Polyclonal                                                                                                                                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                              |
| Isotype                     | IgG                                                                                                                                                                                                             |
| Conjugate                   | DyLight 350                                                                                                                                                                                                     |
| Purity                      | Peptide affinity purified                                                                                                                                                                                       |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                              |
| Product Description         |                                                                                                                                                                                                                 |
| Host                        | Rabbit                                                                                                                                                                                                          |
| Gene ID                     | 55565                                                                                                                                                                                                           |
| Gene Symbol                 | ZNF821                                                                                                                                                                                                          |
| Species                     | Human, Mouse                                                                                                                                                                                                    |
| Reactivity Notes            | 0                                                                                                                                                                                                               |
| Specificity/Sensitivity     | ZNF821 antibody is human and mouse reactive. At least three isoforms of ZNF821 are known to exist; this antibody will detect the two largest isoforms.                                                          |
| Immunogen                   | ZNF821 antibody was raised against an 18 amino acid peptide near the carboxy terminus of human ZNF821. The immunogen is located within amino acids 270 - 320 of ZNF821. Amino Acid Sequence: AKKSRRDNETPEEREVRR |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                               |
| Product Application Details |                                                                                                                                                                                                                 |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence                                                                                                                                                     |
| Recommended Dilutions       | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence                                                                                                                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                          |
