| Clonality                   | Polyclonal                                                                                                                                                                                                       |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                               |
| Isotype                     | IgG                                                                                                                                                                                                              |
| Conjugate                   | DyLight 680                                                                                                                                                                                                      |
| Purity                      | Peptide affinity purified                                                                                                                                                                                        |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                               |
| Product Description         |                                                                                                                                                                                                                  |
| Host                        | Rabbit                                                                                                                                                                                                           |
| Gene ID                     | 7543                                                                                                                                                                                                             |
| Gene Symbol                 | ZFX                                                                                                                                                                                                              |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                                |
| Reactivity Notes            | 0                                                                                                                                                                                                                |
| Specificity/Sensitivity     | ZFX antibody is human, mouse and rat reactive. Multiple isoforms of ZFX are known to exist. ZFX antibody will detect isoform 1 and 2 of ZFX.                                                                     |
| Immunogen                   | ZFX antibody was raised against a 19 amino acid synthetic peptide near the carboxy terminus of human ZFX. The immunogen is located within the last 50 amino acids of ZFX. Amino Acid Sequence: KKGFRPSEKNQHIMRHH |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                |
| Product Application Details |                                                                                                                                                                                                                  |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                 |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                                                                                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                           |
