| Clonality                   | Polyclonal                                                                                                                                                                                                     |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                             |
| Isotype                     | IgG                                                                                                                                                                                                            |
| Conjugate                   | DyLight 488                                                                                                                                                                                                    |
| Purity                      | Peptide affinity purified                                                                                                                                                                                      |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                             |
| Product Description         |                                                                                                                                                                                                                |
| Host                        | Rabbit                                                                                                                                                                                                         |
| Gene ID                     | 25959                                                                                                                                                                                                          |
| Gene Symbol                 | KANK2                                                                                                                                                                                                          |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                              |
| Reactivity Notes            | Immunogen displays the following percentage of sequence identity for non-tested species: Bovine: (94%)                                                                                                         |
| Specificity/Sensitivity     | Two alternatively spliced transcript variants encoding different isoforms have been identified.                                                                                                                |
| Immunogen                   | KANK2 antibody was raised against a 16 amino acid peptide near the carboxy terminus of human KANK2 . The immunogen is located within the last 50 amino acids of KANK2. Amino Acid Sequence: CAPMSDDDESPTSSSAEE |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                              |
| Product Application Details |                                                                                                                                                                                                                |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                               |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                         |
