| Description                 | Novus Biologicals Rabbit JPH3 Antibody - BSA Free (NBP2-83095) is a polyclonal antibody validated for use in WB. All Novus Biologicals antibodies are covered by our 100% guarantee.                                                                       |
| Host                        | Rabbit                                                                                                                                                                                                                                                     |
| Gene ID                     | 57338                                                                                                                                                                                                                                                      |
| Gene Symbol                 | JPH3                                                                                                                                                                                                                                                       |
| Species                     | Human                                                                                                                                                                                                                                                      |
| Immunogen                   | The immunogen is a synthetic peptide directed towards the N-terminal region of human JPH3. Peptide sequence:<br>SSGGRFNFDDGGSYCGGWEDGKAHGHGVCTGPKGQGEYTGSWSHGFEVL<br>G The peptide sequence for this immunogen was taken from within the described region. |
| Product Application Details |                                                                                                                                                                                                                                                            |
| Applications                | Western Blot                                                                                                                                                                                                                                               |
| Recommended Dilutions       | Western Blot 1.0 ug/ml                                                                                                                                                                                                                                     |

## Images

Western Blot: JPH3 Antibody [NBP2-83095] - WB Suggested Anti-JPH3  
Antibody Titration: 0.2-1 ug/ml. Positive Control: HepG2 cell lysate

Western Blot: JPH3 Antibody [NBP2-83095] - WB Suggested Anti-JPH3  
Antibody Titration: 1.0ug/ml. Positive Control: Human Brain cell lysate

Host: Rabbit  
Target Name: JPH3  
Sample Tissue: **Human Brain Cell Lysate**  
Antibody Dilution: 1.0µg/ml
