| Product Description         |                                                                                                                                                                                                                                                      |
| Description                 | Novus Biologicals Rabbit MFSD2 Antibody - BSA Free (NBP2-83197) is a polyclonal antibody validated for use in WB. All Novus Biologicals antibodies are covered by our 100% guarantee.                                                                |
| Host                        | Rabbit                                                                                                                                                                                                                                               |
| Gene ID                     | 84879                                                                                                                                                                                                                                                |
| Gene Symbol                 | MFSD2A                                                                                                                                                                                                                                               |
| Species                     | Human                                                                                                                                                                                                                                                |
| Immunogen                   | The immunogen is a synthetic peptide directed towards the N-terminal region of human MFSD2. Peptide sequence: MFISTEQTERDSATAYRMTVEVLGTVLGTAIQGQIVGQADTPCFQDLNSS The peptide sequence for this immunogen was taken from within the described region. |
| Product Application Details |                                                                                                                                                                                                                                                      |
| Applications                | Western Blot                                                                                                                                                                                                                                         |
| Recommended Dilutions       | Western Blot 1.0 ug/ml                                                                                                                                                                                                                               |

## Images

Western Blot: MFSD2 Antibody [NBP2-83197] - Host: Rabbit. Target: MFSD2A. Sample Type: Thyroid Tumor lysates. Antibody Dilution: 1.0ug/ml

Western Blot: MFSD2 Antibody [NBP2-83197] - Host: Rabbit. Target: MFSD2A. Positive control (+): Human lung (LU). Negative control (-): HepG2 (HG). Antibody concentration: 1ug/ml

Host: Rabbit  
 Target name: MFSD2A  
 Positive control: ~25ug Human Lung [LU]  
 Negative control: ~25ug HepG2 Cell Lysate [HG]  
 Antibody concentration: 1ug/ml
