

# Product Datasheet

## **N-Deacetylase/N-Sulfotransferase 2/NDST2 Antibody - BSA Free** **NBP2-83260-0.1ml**

Unit Size: 0.1ml

Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.

| Description         | Novus Biologicals Rabbit N-Deacetylase/N-Sulfotransferase 2/NDST2 Antibody - BSA Free (NBP2-83260) is a polyclonal antibody validated for use in WB. All Novus Biologicals antibodies are covered by our 100% guarantee.                                                                |
| Host                | Rabbit                                                                                                                                                                                                                                                                                  |
| Gene ID             | 8509                                                                                                                                                                                                                                                                                    |
| Gene Symbol         | NDST2                                                                                                                                                                                                                                                                                   |
| Species             | Human                                                                                                                                                                                                                                                                                   |
| Immunogen           | The immunogen is a synthetic peptide directed towards the C-terminal region of human N-Deacetylase/N-Sulfotransferase 2/NDST2. Peptide sequence: AVTSSFPSPSTFEEIQFFNSPNYHKGIDWYMDFFPVPSNASTDFLFEKSA The peptide sequence for this immunogen was taken from within the described region. |

| Product Application Details |                        |
|-----------------------------|------------------------|
| Applications                | Western Blot           |
| Recommended Dilutions       | Western Blot 1.0 ug/ml |
