| Product Description         |                                                                                                                                                                                                                                                 |
| Description                 | Novus Biologicals Rabbit STAM-1 Antibody - BSA Free (NBP2-85836) is a polyclonal antibody validated for use in WB. All Novus Biologicals antibodies are covered by our 100% guarantee.                                                          |
| Host                        | Rabbit                                                                                                                                                                                                                                          |
| Gene ID                     | 8027                                                                                                                                                                                                                                            |
| Gene Symbol                 | STAM                                                                                                                                                                                                                                            |
| Species                     | Human, Mouse                                                                                                                                                                                                                                    |
| Immunogen                   | The immunogen is a synthetic peptide directed towards the N-terminal region of STAM-1. Peptide sequence: EQAKASPALVAKDPGTVANKKEEEDLAKAIELSLKEQRQQSTTLSTLYPS The peptide sequence for this immunogen was taken from within the described region. |
| Product Application Details |                                                                                                                                                                                                                                                 |
| Applications                | Western Blot                                                                                                                                                                                                                                    |
| Recommended Dilutions       | Western Blot 1.0 ug/ml                                                                                                                                                                                                                          |

## Images

Western Blot: STAM-1 Antibody [NBP2-85836] - WB Suggested Anti-STAM Antibody. Titration: 1.0 ug/ml. Positive Control: Hela Whole Cell  
STAM is supported by BioGPS gene expression data to be expressed in HeLa

Western Blot: STAM-1 Antibody [NBP2-85836] - WB Suggested Anti-STAM Antibody. Positive Control: Lane 1: 20ug mouse brain extract  
Lane 2: 20ug mouse brain extract. Primary Antibody Dilution : 1:500. Secondary Antibody : Anti rabbit-HRP. Secondary Antibody Dilution : 1:5,000. Submitted by: Scott Wilson, University of Alabama at Birmingham
