| Product Description         |                                                                                                                                                                                                                                                       |
| Description                 | Novus Biologicals Rabbit ZNF475 Antibody - BSA Free (NBP2-86498) is a polyclonal antibody validated for use in IHC and WB. All Novus Biologicals antibodies are covered by our 100% guarantee.                                                        |
| Host                        | Rabbit                                                                                                                                                                                                                                                |
| Gene ID                     | 162239                                                                                                                                                                                                                                                |
| Gene Symbol                 | ZFP1                                                                                                                                                                                                                                                  |
| Species                     | Human                                                                                                                                                                                                                                                 |
| Immunogen                   | The immunogen is a synthetic peptide directed towards the N-terminal region of human ZNF475. Peptide sequence: SNRSYAGKQTDECNEFGKALLYLKQEKTHSGVEYSEYNKSGKALSHKAAI The peptide sequence for this immunogen was taken from within the described region. |
| Product Application Details |                                                                                                                                                                                                                                                       |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, Immunohistochemistry                                                                                                                                                                                     |
| Recommended Dilutions       | Western Blot 1.0 ug/ml, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                                                           |

## Images

Western Blot: ZNF475 Antibody [NBP2-86498] - Jurkat Whole Cell

Immunohistochemistry-Paraffin: ZNF475 Antibody [NBP2-86498] - Rabbit Anti-ZFP1 Antibody. Paraffin Embedded Tissue: Human Spermatophore. Cellular Data: Epithelial cells. Antibody Concentration: 4.0-8.0 ug/ml. Magnification: 400X

Immunohistochemistry-Paraffin: ZNF475 Antibody [NBP2-86498] - Rabbit Anti-ZFP1 Antibody. Paraffin Embedded Tissue: Human Intestine. Cellular Data: Epithelial cells of intestinal villas. Antibody Concentration: 4.0-8.0 ug/ml. Magnification: 400X
