| Product Description         |                                                                                                                                                                                                                                                     |
| Description                 | Novus Biologicals Rabbit NFkB p100/p52 Antibody - BSA Free (NBP2-87905) is a polyclonal antibody validated for use in IHC and WB. All Novus Biologicals antibodies are covered by our 100% guarantee.                                               |
| Host                        | Rabbit                                                                                                                                                                                                                                              |
| Gene ID                     | 4791                                                                                                                                                                                                                                                |
| Gene Symbol                 | NFKB2                                                                                                                                                                                                                                               |
| Species                     | Human                                                                                                                                                                                                                                               |
| Immunogen                   | The immunogen is a synthetic peptide directed towards the C-terminal region of human NFkB p100/p52. Peptide sequence: SDSDSGPEKDRSSFRGHTPLDLCSTLVKTLNAAQNTMEPPL The peptide sequence for this immunogen was taken from within the described region. |
| Product Application Details |                                                                                                                                                                                                                                                     |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, Immunohistochemistry                                                                                                                                                                                   |
| Recommended Dilutions       | Western Blot 1.0 ug/ml, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                                                         |

## Images

Western Blot: NFkB p100/p52 Antibody [NBP2-87905] - Host: Rabbit.  
Target Name: NFkB2. Sample Tissue: Human HCT116. Antibody  
Dilution: 1.0ug/ml

### NFkB2

Immunohistochemistry: NFkB p100/p52 Antibody [NBP2-87905] - Human  
Muscle

Immunohistochemistry: NFkB p100/p52 Antibody [NBP2-87905] - Human  
Smooth Muscle
