| Preservative        | No Preservative                                                                             |
| Isotype             | IgG                                                                                         |
| Purity              | Protein A purified                                                                          |
| Buffer              | 0.2 um filtered solution in PBS                                                             |

| Product Description |                                                                                                                                                                                                                             |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | This antibody can be stored at 2C-8C for one month without detectable loss of activity. Antibody products are stable for twelve months from date of receipt when stored at -20C to -80C. Avoid repeated freeze-thaw cycles. |
| Host                | Rabbit                                                                                                                                                                                                                      |
| Gene ID             | 3557                                                                                                                                                                                                                        |
| Gene Symbol         | IL1RN                                                                                                                                                                                                                       |
| Species             | Human                                                                                                                                                                                                                       |
| Immunogen           | This antibody was obtained from a rabbit immunized with a synthetic peptide corresponding to the center region of the human IL-1ra/IL-1F3/IL1RN.                                                                            |

| Product Application Details |                                          |
|-----------------------------|------------------------------------------|
| Applications                | Immunohistochemistry-Paraffin            |
| Recommended Dilutions       | Immunohistochemistry-Paraffin 1:50-1:200 |

## Images

Immunohistochemistry-Paraffin: IL-1ra/IL-1F3/IL1RN Antibody (005) [NBP2-89195] - Staining of human IL1RA in human kidney with rabbit monoclonal antibody (1:100).

Immunohistochemistry-Paraffin: IL-1ra/IL-1F3/IL1RN Antibody (005) [NBP2-89195] - Staining of human IL1RA in human skin with rabbit monoclonal antibody (1:100).
