| Clone                       | 101                                                                                                                                                 |
| Preservative                | 0.05% Sodium Azide                                                                                                                                  |
| Isotype                     | IgG                                                                                                                                                 |
| Conjugate                   | Biotin                                                                                                                                              |
| Purity                      | Protein A purified                                                                                                                                  |
| Buffer                      | PBS                                                                                                                                                 |
| Product Description         |                                                                                                                                                     |
| Host                        | Rabbit                                                                                                                                              |
| Gene ID                     | 2247                                                                                                                                                |
| Gene Symbol                 | FGF2                                                                                                                                                |
| Species                     | Human                                                                                                                                               |
| Specificity/Sensitivity     | No cross-reactivity in ELISA with:<br><br>Human aFGF / FGF1<br>Human FGF9 / GAF<br>Human FGF10 / FGF-10                                             |
| Immunogen                   | This antibody was obtained from a rabbit immunized with purified, recombinant Human FGF basic/FGF2/bFGF (Accession#: NP_001997.5; Pro 143-Ser 288). |
| Product Application Details |                                                                                                                                                     |
| Applications                | ELISA                                                                                                                                               |
| Recommended Dilutions       | ELISA                                                                                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                              |
