FGF basic/FGF2/bFGF Antibody (101) [DyLight 550]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 101                                                                                         |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Conjugate           | DyLight 550                                                                                 |
| Purity              | Protein A purified                                                                          |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                                                                     |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Rabbit                                                                                                                                              |
| Gene ID                 | 2247                                                                                                                                                |
| Gene Symbol             | FGF2                                                                                                                                                |
| Species                 | Human                                                                                                                                               |
| Specificity/Sensitivity | No cross-reactivity in ELISA with:<br><br>Human aFGF / FGF1<br>Human FGF9 / GAF<br>Human FGF10 / FGF-10                                             |
| Immunogen               | This antibody was obtained from a rabbit immunized with purified, recombinant Human FGF basic/FGF2/bFGF (Accession#: NP_001997.5; Pro 143-Ser 288). |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                   |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | ELISA                                                                  |
| Recommended Dilutions       | ELISA                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
