Vimentin Antibody (001) [FITC]

| Product Information     |                                                                                             |
|-------------------------|---------------------------------------------------------------------------------------------|
| Unit Size               | 0.1 ml                                                                                      |
| Concentration           | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                 | Store at 4C in the dark.                                                                    |
| Clonality               | Monoclonal                                                                                  |
| Clone                   | 001                                                                                         |
| Preservative            | 0.05% Sodium Azide                                                                          |
| Isotype                 | IgG                                                                                         |
| Conjugate               | FITC                                                                                        |
| Purity                  | Protein A purified                                                                          |
| Buffer                  | PBS                                                                                         |
| Target Molecular Weight | 53.6 kDa                                                                                    |

| Product Description |                                                                                                                                      |
|---------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Host                | Rabbit                                                                                                                               |
| Gene ID             | 7431                                                                                                                                 |
| Gene Symbol         | VIM                                                                                                                                  |
| Species             | Human                                                                                                                                |
| Immunogen           | This antibody was obtained from a rabbit immunized with a synthetic peptide corresponding to the center region of the Human Vimentin |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Immunohistochemistry-Paraffin, Immunohistochemistry      |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
