Leukotriene A4 Hydrolase/LTA4H Antibody (457) [Janelia Fluor® 669]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 457                                                                                         |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Conjugate           | Janelia Fluor 669                                                                           |
| Purity              | Protein A purified                                                                          |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                                                                              |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Rabbit                                                                                                                                                       |
| Gene ID                 | 4048                                                                                                                                                         |
| Gene Symbol             | LTA4H                                                                                                                                                        |
| Species                 | Human                                                                                                                                                        |
| Specificity/Sensitivity | No cross-reactivity in ELISA with:<br><br>Mouse LTA4H                                                                                                        |
| Immunogen               | This antibody was obtained from a rabbit immunized with purified, recombinant Human Leukotriene A4 Hydrolase/LTA4H (Accession#: NP_000886.1; Met 1-Asp 611). |
| Notes                   | <br><br>Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | ELISA                                                                  |
| Recommended Dilutions       | ELISA                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
