**NBP2-89397PE**

Serpine F2/alpha 2-Antiplasmin Antibody (043) [PE]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 043                                                                                         |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Conjugate           | PE                                                                                          |
| Purity              | Protein A purified                                                                          |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                                                                                             |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Rabbit                                                                                                                                                      |
| Gene ID                 | 5345                                                                                                                                                        |
| Gene Symbol             | SERPINF2                                                                                                                                                    |
| Species                 | Human                                                                                                                                                       |
| Specificity/Sensitivity | No cross-reactivity in ELISA with: Human SerpinA1 Human SerpinA5 Mouse SerpinD1 Mouse SerpinF1 Mouse SerpinF2                                               |
| Immunogen               | This antibody was obtained from a rabbit immunized with purified, recombinant Human Serpin F2/alpha 2-Antiplasmin (Accession#: NP_000925.2; Met 1-Lys 491). |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Immunohistochemistry-Paraffin, ELISA                                   |
| Recommended Dilutions       | ELISA, Immunohistochemistry-Paraffin                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
