| Clone                       | 011                                                                                                                                         |
| Preservative                | 0.05% Sodium Azide                                                                                                                          |
| Isotype                     | IgG                                                                                                                                         |
| Conjugate                   | PerCP                                                                                                                                       |
| Purity                      | Protein A purified                                                                                                                          |
| Buffer                      | PBS                                                                                                                                         |
| Product Description         |                                                                                                                                             |
| Host                        | Rabbit                                                                                                                                      |
| Gene ID                     | 1473                                                                                                                                        |
| Gene Symbol                 | CST5                                                                                                                                        |
| Species                     | Human                                                                                                                                       |
| Specificity/Sensitivity     | No cross-reactivity in ELISA with:<br><br>Human FetuinA<br>Mouse AHSG<br>Human CST3                                                         |
| Immunogen                   | This antibody was obtained from a rabbit immunized with purified, recombinant Human Cystatin D/Cst5 (Accession#: NP_001891.2; Met1-Val142). |
| Product Application Details |                                                                                                                                             |
| Applications                | ELISA                                                                                                                                       |
| Recommended Dilutions       | ELISA                                                                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                      |
