**NBP2-89558B**

Aminoacylase/ACY1 Antibody (006) [Biotin]

| Product Information         |                                                                                                                                               |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                        |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                   |
| Storage                     | Store at 4C in the dark.                                                                                                                      |
| Clonality                   | Monoclonal                                                                                                                                    |
| Clone                       | 006                                                                                                                                           |
| Preservative                | 0.05% Sodium Azide                                                                                                                            |
| Isotype                     | IgG                                                                                                                                           |
| Conjugate                   | Biotin                                                                                                                                        |
| Purity                      | Protein A purified                                                                                                                            |
| Buffer                      | PBS                                                                                                                                           |
| Product Description         |                                                                                                                                               |
| Host                        | Rabbit                                                                                                                                        |
| Gene ID                     | 95                                                                                                                                            |
| Gene Symbol                 | ACY1                                                                                                                                          |
| Species                     | Human                                                                                                                                         |
| Immunogen                   | This antibody was obtained from a rabbit immunized with purified, recombinant Human Aminoacylase/ACY1 (Accession#: NP_000657.1; Met1-Ser408). |
| Product Application Details |                                                                                                                                               |
| Applications                | Flow Cytometry, Immunocytochemistry/ Immunofluorescence                                                                                       |
| Recommended Dilutions       | Flow Cytometry, Immunocytochemistry/ Immunofluorescence                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                        |
