**NBP2-89566PCP**

Dopa Decarboxylase/DDC Antibody (005) [PerCP]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 005                                                                                         |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Conjugate           | PerCP                                                                                       |
| Purity              | Protein A purified                                                                          |
| Buffer              | PBS                                                                                         |

| Product Description |                                                                                                                                                      |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                | Rabbit                                                                                                                                               |
| Gene ID             | 1644                                                                                                                                                 |
| Gene Symbol         | DDC                                                                                                                                                  |
| Species             | Human                                                                                                                                                |
| Immunogen           | This antibody was obtained from a rabbit immunized with purified, recombinant Human Dopa Decarboxylase/DDC (Accession#: NP_000781.1; Met 1-Glu 480). |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Immunohistochemistry-Paraffin, ELISA, Immunohistochemistry             |
| Recommended Dilutions       | ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
