TFPI Antibody (401) [Janelia Fluor® 669]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 401                                                                                         |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Conjugate           | Janelia Fluor 669                                                                           |
| Purity              | Protein A purified                                                                          |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                                                     |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Rabbit                                                                                                                              |
| Gene ID                 | 7035                                                                                                                                |
| Gene Symbol             | TFPI                                                                                                                                |
| Species                 | Human                                                                                                                               |
| Specificity/Sensitivity | Has cross-reactivity in ELISA with:<br><br>Mouse TFPI<br>No cross-reactivity in ELISA with:<br><br>Human TFPI2<br>Human Vitronectin |
| Immunogen               | This antibody was obtained from a rabbit immunized with purified, recombinant Human TFPI (Accession#: NP_006278.1; Met1-Lys282).    |
| Notes                   | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                               |

| Product Application Details |                                                                                                                        |
|-----------------------------|------------------------------------------------------------------------------------------------------------------------|
| Applications                | Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin, Sandwich ELISA Detection |
| Recommended Dilutions       | Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry-Paraffin, Sandwich ELISA Detection |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                 |
