**NBP2-89622JF549**

DPPII/QPP/DPP7 Antibody (003) [Janelia Fluor® 549]

**Product Information**

|                      |                                                                                             |
|----------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>     | 0.1 ml                                                                                      |
| <b>Concentration</b> | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>       | Store at 4C in the dark.                                                                    |
| <b>Clonality</b>     | Monoclonal                                                                                  |
| <b>Clone</b>         | 003                                                                                         |
| <b>Preservative</b>  | 0.05% Sodium Azide                                                                          |
| <b>Isotype</b>       | IgG                                                                                         |
| <b>Conjugate</b>     | Janelia Fluor 549                                                                           |
| <b>Purity</b>        | Protein A purified                                                                          |
| <b>Buffer</b>        | 50mM Sodium Borate                                                                          |

**Product Description**

|                    |                                                                                                                                            |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Host</b>        | Rabbit                                                                                                                                     |
| <b>Gene ID</b>     | 29952                                                                                                                                      |
| <b>Gene Symbol</b> | DPP7                                                                                                                                       |
| <b>Species</b>     | Human                                                                                                                                      |
| <b>Immunogen</b>   | This antibody was obtained from a rabbit immunized with purified, recombinant Human DPPII/QPP/DPP7 (Accession#: NP_037511.2; Met1-Leu492). |
| <b>Notes</b>       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                      |

**Product Application Details**

|                              |                                                                        |
|------------------------------|------------------------------------------------------------------------|
| <b>Applications</b>          | ELISA                                                                  |
| <b>Recommended Dilutions</b> | ELISA                                                                  |
| <b>Application Notes</b>     | Optimal dilution of this antibody should be experimentally determined. |
