**NBP2-89649FR**

Uteroglobin/SCGB1A1 Antibody (030) [DyLight 680]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 030                                                                                         |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Conjugate           | DyLight 680                                                                                 |
| Purity              | Protein A purified                                                                          |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                                                         |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Rabbit                                                                                                                                  |
| Gene ID                 | 7356                                                                                                                                    |
| Gene Symbol             | SCGB1A1                                                                                                                                 |
| Species                 | Human                                                                                                                                   |
| Specificity/Sensitivity | No cross-reactivity in ELISA with: Mouse SCGB1A1                                                                                        |
| Immunogen               | This antibody was obtained from a rabbit immunized with purified, recombinant Human Uteroglobin/SCGB1A1 (Uniprot#: P11684; Met1-Asn91). |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                       |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | ELISA                                                                  |
| Recommended Dilutions       | ELISA                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
