CEACAM6/CD66c Antibody (408) [Janelia Fluor® 525]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 408                                                                                         |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Conjugate           | Janelia Fluor 525                                                                           |
| Purity              | Protein A purified                                                                          |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                                                             |
|-------------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Rabbit                                                                                                                                      |
| Gene ID                 | 4680                                                                                                                                        |
| Gene Symbol             | CEACAM6                                                                                                                                     |
| Species                 | Human                                                                                                                                       |
| Specificity/Sensitivity | No cross-reactivity in ELISA with:<br><br>Human CEACAM1 / CD66a<br>Human CEACAM5 / CD66e                                                    |
| Immunogen               | This antibody was obtained from a rabbit immunized with purified, recombinant Human CEACAM6/CD66c (Accession#: NP_002474.4; Met 1-Gly 320). |
| Notes                   | <br><br>Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                               |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | ELISA, Flow Cytometry, Sandwich ELISA Detection                        |
| Recommended Dilutions       | Flow Cytometry, ELISA, Sandwich ELISA Detection                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
