CD7 Antibody (15) [DyLight 650]

| Product Information         |                                                                                                                                   |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                            |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                       |
| Storage                     | Store at 4C in the dark.                                                                                                          |
| Clonality                   | Monoclonal                                                                                                                        |
| Clone                       | 15                                                                                                                                |
| Preservative                | 0.05% Sodium Azide                                                                                                                |
| Isotype                     | IgG                                                                                                                               |
| Conjugate                   | DyLight 650                                                                                                                       |
| Purity                      | Protein A purified                                                                                                                |
| Buffer                      | 50mM Sodium Borate                                                                                                                |
| Product Description         |                                                                                                                                   |
| Host                        | Rabbit                                                                                                                            |
| Gene ID                     | 924                                                                                                                               |
| Gene Symbol                 | CD7                                                                                                                               |
| Species                     | Human, Mouse (Negative), Rat (Negative)                                                                                           |
| Immunogen                   | This antibody was obtained from a rabbit immunized with purified, recombinant Human CD7 (Accession#: NP_006128.1; Met 1-Pro 180). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                 |
| Product Application Details |                                                                                                                                   |
| Applications                | ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin, Sandwich ELISA Capture                                                |
| Recommended Dilutions       | ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin, Sandwich ELISA Capture                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                            |
