Cytosolic beta-Glucosidase/GBA3 Antibody (019) [Janelia Fluor® 646]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 019                                                                                         |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Conjugate           | Janelia Fluor 646                                                                           |
| Purity              | Protein A purified                                                                          |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                                                                                               |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                | Rabbit                                                                                                                                                        |
| Gene ID             | 57733                                                                                                                                                         |
| Gene Symbol         | GBA3                                                                                                                                                          |
| Species             | Human                                                                                                                                                         |
| Immunogen           | This antibody was obtained from a rabbit immunized with purified, recombinant Human Cytosolic beta-Glucosidase/GBA3 (Accession#: NP_066024.1; Met 1-Leu 469). |
| Notes               | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                         |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | ELISA                                                                  |
| Recommended Dilutions       | ELISA                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
