**NBP2-89961APC**

CRACC/SLAMF7 Antibody (002) [Allophycocyanin]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 002                                                                                         |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Conjugate           | Allophycocyanin                                                                             |
| Purity              | Protein A purified                                                                          |
| Buffer              | PBS                                                                                         |

| Product Description |                                                                                                                                          |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Host                | Rabbit                                                                                                                                   |
| Gene ID             | 57823                                                                                                                                    |
| Gene Symbol         | SLAMF7                                                                                                                                   |
| Species             | Human                                                                                                                                    |
| Immunogen           | This antibody was obtained from a rabbit immunized with purified, recombinant Human CRACC/SLAMF7 (Accession#: NP_067004.3; Met1-Met226). |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | ELISA                                                                  |
| Recommended Dilutions       | ELISA                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
