**NBP2-90054PCP**

FABP4/A-FABP Antibody (001) [PerCP]

| Product Information         |                                                                                                                                             |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                 |
| Storage                     | Store at 4C in the dark.                                                                                                                    |
| Clonality                   | Monoclonal                                                                                                                                  |
| Clone                       | 001                                                                                                                                         |
| Preservative                | 0.05% Sodium Azide                                                                                                                          |
| Isotype                     | IgG                                                                                                                                         |
| Conjugate                   | PerCP                                                                                                                                       |
| Purity                      | Protein A purified                                                                                                                          |
| Buffer                      | PBS                                                                                                                                         |
| Product Description         |                                                                                                                                             |
| Host                        | Rabbit                                                                                                                                      |
| Gene ID                     | 2167                                                                                                                                        |
| Gene Symbol                 | FABP4                                                                                                                                       |
| Species                     | Human                                                                                                                                       |
| Specificity/Sensitivity     | Has cross-reactivity in ELISA with:<br><br>Mouse FABP3<br>No cross-reactivity in ELISA with:<br><br>Human FABP6                             |
| Immunogen                   | This antibody was obtained from a rabbit immunized with purified, recombinant Human FABP4/A-FABP (Uniprot#: P15090; Cys2-Ala132,29Ala/Thr). |
| Product Application Details |                                                                                                                                             |
| Applications                | Flow Cytometry, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                         |
| Recommended Dilutions       | Flow Cytometry, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                      |
