| Clonality                   | Monoclonal                                                                                                                               |
| Clone                       | 208                                                                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                                                                       |
| Isotype                     | IgG                                                                                                                                      |
| Conjugate                   | DyLight 755                                                                                                                              |
| Purity                      | Protein A purified                                                                                                                       |
| Buffer                      | 50mM Sodium Borate                                                                                                                       |
| Product Description         |                                                                                                                                          |
| Host                        | Rabbit                                                                                                                                   |
| Species                     | Non-species specific                                                                                                                     |
| Immunogen                   | This antibody was obtained from a rabbit immunized with purified, recombinant Aequorea victoria GFP (Accession#: AAB65663; Ser2-Lys238). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                        |
| Product Application Details |                                                                                                                                          |
| Applications                | Western Blot, ELISA, Immunoprecipitation, Sandwich ELISA Detection                                                                       |
| Recommended Dilutions       | Western Blot, ELISA, Immunoprecipitation, Sandwich ELISA Detection                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                   |
