**NBP2-90196PE**

Alkaline Phosphatase, Intestinal Antibody (001) [PE]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 001                                                                                         |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Conjugate           | PE                                                                                          |
| Purity              | Protein A purified                                                                          |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                                                                                       |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Rabbit                                                                                                                                                |
| Gene ID                 | 248                                                                                                                                                   |
| Gene Symbol             | ALPI                                                                                                                                                  |
| Species                 | Human                                                                                                                                                 |
| Specificity/Sensitivity | No cross-reactivity in ELISA with:<br><br>Human ALPL                                                                                                  |
| Immunogen               | This antibody was obtained from a rabbit immunized with purified, recombinant Human Alkaline Phosphatase, Intestinal (Uniprot#: P09923; Met1-Asp503). |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | ELISA                                                                  |
| Recommended Dilutions       | ELISA                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
