| Purity                      | Protein A purified                                                                                                                |
| Buffer                      | PBS                                                                                                                               |
| Product Description         |                                                                                                                                   |
| Host                        | Rabbit                                                                                                                            |
| Gene ID                     | 2954                                                                                                                              |
| Gene Symbol                 | GSTZ1                                                                                                                             |
| Species                     | Human                                                                                                                             |
| Immunogen                   | This antibody was obtained from a rabbit immunized with purified, recombinant Human GSTZ1 (Accession#: NP_665877.1; Met1-Ala216). |
| Product Application Details |                                                                                                                                   |
| Applications                | ELISA                                                                                                                             |
| Recommended Dilutions       | ELISA                                                                                                                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                            |
