FHIT Antibody (104) [Biotin]

| Product Information         |                                                                                                                           |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                    |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                               |
| Storage                     | Store at 4C in the dark.                                                                                                  |
| Clonality                   | Monoclonal                                                                                                                |
| Clone                       | 104                                                                                                                       |
| Preservative                | 0.05% Sodium Azide                                                                                                        |
| Isotype                     | IgG                                                                                                                       |
| Conjugate                   | Biotin                                                                                                                    |
| Purity                      | Protein A purified                                                                                                        |
| Buffer                      | PBS                                                                                                                       |
| Product Description         |                                                                                                                           |
| Host                        | Rabbit                                                                                                                    |
| Gene ID                     | 2272                                                                                                                      |
| Gene Symbol                 | FHIT                                                                                                                      |
| Species                     | Human                                                                                                                     |
| Immunogen                   | This antibody was obtained from a rabbit immunized with purified, recombinant Human FHIT (Uniprot#: P49789; Met1-Gln147). |
| Product Application Details |                                                                                                                           |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence                                                               |
| Recommended Dilutions       | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                    |
