| Clonality                   | Monoclonal                                                                                                                       |
| Clone                       | 105                                                                                                                              |
| Preservative                | 0.05% Sodium Azide                                                                                                               |
| Isotype                     | IgG                                                                                                                              |
| Conjugate                   | PE                                                                                                                               |
| Purity                      | Protein A purified                                                                                                               |
| Buffer                      | PBS                                                                                                                              |
| Product Description         |                                                                                                                                  |
| Host                        | Rabbit                                                                                                                           |
| Gene ID                     | 2653                                                                                                                             |
| Gene Symbol                 | GCSH                                                                                                                             |
| Species                     | Human                                                                                                                            |
| Immunogen                   | This antibody was obtained from a rabbit immunized with purified, recombinant Human GCSH (Accession#: AAA36011.1; Ser49-Glu173). |
| Product Application Details |                                                                                                                                  |
| Applications                | ELISA                                                                                                                            |
| Recommended Dilutions       | ELISA                                                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                           |
