CD38 Antibody (32) [Biotin]

| Product Information         |                                                                                                                                     |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                              |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                         |
| Storage                     | Store at 4C in the dark.                                                                                                            |
| Clonality                   | Monoclonal                                                                                                                          |
| Clone                       | 32                                                                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                                                                  |
| Isotype                     | IgG                                                                                                                                 |
| Conjugate                   | Biotin                                                                                                                              |
| Purity                      | Protein A purified                                                                                                                  |
| Buffer                      | PBS                                                                                                                                 |
| Target Molecular Weight     | 34.4 kDa                                                                                                                            |
| Product Description         |                                                                                                                                     |
| Host                        | Rabbit                                                                                                                              |
| Gene ID                     | 952                                                                                                                                 |
| Gene Symbol                 | CD38                                                                                                                                |
| Species                     | Mouse                                                                                                                               |
| Specificity/Sensitivity     | No cross-reactivity in ELISA with:<br><br>Human CD38                                                                                |
| Immunogen                   | This antibody was obtained from a rabbit immunized with purified, recombinant Mouse CD38 (Accession#: NP_031672.2; Leu 45-Thr 304). |
| Product Application Details |                                                                                                                                     |
| Applications                | ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                          |
| Recommended Dilutions       | ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                              |
