| Isotype                     | IgG                                                                                                                                  |
| Conjugate                   | Janelia Fluor 585                                                                                                                    |
| Purity                      | Protein A purified                                                                                                                   |
| Buffer                      | 50mM Sodium Borate                                                                                                                   |
| Product Description         |                                                                                                                                      |
| Host                        | Rabbit                                                                                                                               |
| Gene ID                     | 4043                                                                                                                                 |
| Gene Symbol                 | LRPAP1                                                                                                                               |
| Species                     | Mouse                                                                                                                                |
| Specificity/Sensitivity     | No cross-reactivity in ELISA with:<br><br>Human LRPAP1                                                                               |
| Immunogen                   | This antibody was obtained from a rabbit immunized with purified, recombinant Mouse LRPAP (Accession#: NP_038615.2; Gln 29-Leu 360). |
| Notes                       | <br><br>Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                        |
| Product Application Details |                                                                                                                                      |
| Applications                | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry-Paraffin, Immunoprecipitation                     |
| Recommended Dilutions       | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence, Immunoprecipitation, Immunohistochemistry-Paraffin                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                               |
