**NBP2-90540B**

EMMPRIN/CD147 Antibody (041) [Biotin]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 041                                                                                         |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Conjugate           | Biotin                                                                                      |
| Purity              | Protein A purified                                                                          |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                                                                                |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Rabbit                                                                                                                                         |
| Gene ID                 | 682                                                                                                                                            |
| Gene Symbol             | BSG                                                                                                                                            |
| Species                 | Mouse                                                                                                                                          |
| Specificity/Sensitivity | No cross-reactivity in ELISA with: Human Basigin BSG CD147                                                                                     |
| Immunogen               | This antibody was obtained from a rabbit immunized with purified, recombinant Mouse EMMPRIN/CD147 (Accession#: NP_001070652.1; Met 1-Arg 209). |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | ELISA, Immunocytochemistry/ Immunofluorescence                         |
| Recommended Dilutions       | ELISA, Immunocytochemistry/ Immunofluorescence                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
