ASAM Antibody (001) [HRP]

| Product Information         |                                                                                                                               |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                        |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                   |
| Storage                     | Store at 4C in the dark.                                                                                                      |
| Clonality                   | Monoclonal                                                                                                                    |
| Clone                       | 001                                                                                                                           |
| Preservative                | No Preservative                                                                                                               |
| Isotype                     | IgG                                                                                                                           |
| Conjugate                   | HRP                                                                                                                           |
| Purity                      | Protein A purified                                                                                                            |
| Buffer                      | PBS                                                                                                                           |
| Product Description         |                                                                                                                               |
| Host                        | Rabbit                                                                                                                        |
| Gene ID                     | 79827                                                                                                                         |
| Gene Symbol                 | CLMP                                                                                                                          |
| Species                     | Mouse                                                                                                                         |
| Specificity/Sensitivity     | No cross-reactivity in ELISA with:<br><br>Human ASAM                                                                          |
| Immunogen                   | This antibody was obtained from a rabbit immunized with purified, recombinant Mouse ASAM (Uniprot#: Q8R373-1; Met 1-Met 232). |
| Product Application Details |                                                                                                                               |
| Applications                | ELISA                                                                                                                         |
| Recommended Dilutions       | ELISA                                                                                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                        |
