

# Product Datasheet

## COX6B1 Antibody - BSA Free

### NBP2-92771-0.1ml

Unit Size: 0.1 ml

Store at -20C. Avoid freeze-thaw cycles.

COX6B1 Antibody - BSA Free

**Product Information**

|                                |                                                                                             |
|--------------------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>               | 0.1 ml                                                                                      |
| <b>Concentration</b>           | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>                 | Store at -20C. Avoid freeze-thaw cycles.                                                    |
| <b>Clonality</b>               | Polyclonal                                                                                  |
| <b>Preservative</b>            | 0.02% Sodium Azide                                                                          |
| <b>Isotype</b>                 | IgG                                                                                         |
| <b>Purity</b>                  | Affinity purified                                                                           |
| <b>Buffer</b>                  | PBS (pH 7.3), 50% glycerol                                                                  |
| <b>Target Molecular Weight</b> | 10 kDa                                                                                      |

**Product Description**

|                    |                                                                                                                                                                                                               |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b> | Novus Biologicals Rabbit COX6B1 Antibody - BSA Free (NBP2-92771) is a polyclonal antibody validated for use in WB. All Novus Biologicals antibodies are covered by our 100% guarantee.                        |
| <b>Host</b>        | Rabbit                                                                                                                                                                                                        |
| <b>Gene ID</b>     | 1340                                                                                                                                                                                                          |
| <b>Gene Symbol</b> | COX6B1                                                                                                                                                                                                        |
| <b>Species</b>     | Human, Mouse                                                                                                                                                                                                  |
| <b>Immunogen</b>   | Recombinant fusion protein containing a sequence corresponding to amino acids 1-86 of human COX6B1 (NP_001854.1).<br>MAEDMETKIKNYKTAPFDSRFPNQNRNCWQNYLDFHRCQKAMTAKGGDIS<br>VCEWYQRVYQSLCPTSWVTDWDEQRAEGTFPGKI |

**Product Application Details**

|                              |                                                                                   |
|------------------------------|-----------------------------------------------------------------------------------|
| <b>Applications</b>          | Western Blot, ELISA                                                               |
| <b>Recommended Dilutions</b> | Western Blot 1:500 - 1:2000, ELISA Recommended starting concentration is 1 µg/mL. |

**Images**

Western Blot: COX6B1 Antibody [NBP2-92771] - Analysis of extracts of various cell lines, using COX6B1 at 1:1000 dilution. Secondary antibody: HRP Goat Anti-Rabbit IgG (H+L) at 1:10000 dilution. Lysates/proteins: 25ug per lane. Blocking buffer: 3% nonfat dry milk in TBST. Detection: ECL Basic Kit. Exposure time: 1s.
