

# Product Datasheet

## TIMM10 Antibody - BSA Free

### NBP2-93176-0.1ml

Unit Size: 0.1 ml

Store at -20C. Avoid freeze-thaw cycles.

TIMM10 Antibody - BSA Free

**Product Information**

|                                |                                                                                             |
|--------------------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>               | 0.1 ml                                                                                      |
| <b>Concentration</b>           | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>                 | Store at -20C. Avoid freeze-thaw cycles.                                                    |
| <b>Clonality</b>               | Polyclonal                                                                                  |
| <b>Preservative</b>            | 0.02% Sodium Azide                                                                          |
| <b>Isotype</b>                 | IgG                                                                                         |
| <b>Purity</b>                  | Affinity purified                                                                           |
| <b>Buffer</b>                  | PBS (pH 7.3), 50% glycerol                                                                  |
| <b>Target Molecular Weight</b> | 10 kDa                                                                                      |

**Product Description**

|                    |                                                                                                                                                                                                                      |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b> | Novus Biologicals Rabbit TIMM10 Antibody - BSA Free (NBP2-93176) is a polyclonal antibody validated for use in WB and ICC/IF. All Novus Biologicals antibodies are covered by our 100% guarantee.                    |
| <b>Host</b>        | Rabbit                                                                                                                                                                                                               |
| <b>Gene ID</b>     | 26519                                                                                                                                                                                                                |
| <b>Gene Symbol</b> | TIMM10                                                                                                                                                                                                               |
| <b>Species</b>     | Human, Mouse, Rat                                                                                                                                                                                                    |
| <b>Immunogen</b>   | Recombinant fusion protein containing a sequence corresponding to amino acids 1-90 of human TIMM10 (NP_036588.1).<br>MDPLRAQQLAAEELEVEMMADMYNRMTSACHRKCVPPHYKEAELSKGESVCL<br>DRCVSKYLDIHERMGKKLTELSMQDEELMKRVQQSSGPA |

**Product Application Details**

|                              |                                                                                    |
|------------------------------|------------------------------------------------------------------------------------|
| <b>Applications</b>          | Western Blot, Immunocytochemistry/ Immunofluorescence                              |
| <b>Recommended Dilutions</b> | Western Blot 1:1000 - 1:5000, Immunocytochemistry/ Immunofluorescence 1:50 - 1:200 |

**Images**

Western Blot: TIMM10 Antibody - BSA Free [NBP2-93176] - Western blot analysis of various lysates, using TIMM10 Rabbit pAb at 1:2000 dilution.  
 Secondary antibody: HRP Goat Anti-Rabbit IgG (H+L) at 1:10000 dilution.  
 Lysates/proteins: 25ug per lane.  
 Blocking buffer: 3% nonfat dry milk in TBST.  
 Detection: ECL Basic Kit.  
 Exposure time: 30s.
