**NBP2-93198-0.1ml**

SLC24A4 Antibody - Azide and BSA Free

**Product Information**

|                                |                                                                                             |
|--------------------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>               | 0.1 ml                                                                                      |
| <b>Concentration</b>           | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>                 | Store at -20C. Avoid freeze-thaw cycles.                                                    |
| <b>Clonality</b>               | Polyclonal                                                                                  |
| <b>Preservative</b>            | 0.01% Thimerosal                                                                            |
| <b>Isotype</b>                 | IgG                                                                                         |
| <b>Purity</b>                  | Affinity purified                                                                           |
| <b>Buffer</b>                  | PBS (pH 7.3), 50% glycerol                                                                  |
| <b>Target Molecular Weight</b> | 69 kDa                                                                                      |

**Product Description**

|                    |                                                                                                                                                                                                                         |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b> | Novus Biologicals Rabbit SLC24A4 Antibody - Azide and BSA Free (NBP2-93198) is a polyclonal antibody validated for use in WB and ELISA. All Novus Biologicals antibodies are covered by our 100% guarantee.             |
| <b>Host</b>        | Rabbit                                                                                                                                                                                                                  |
| <b>Gene ID</b>     | 123041                                                                                                                                                                                                                  |
| <b>Gene Symbol</b> | SLC24A4                                                                                                                                                                                                                 |
| <b>Species</b>     | Human, Mouse, Rat                                                                                                                                                                                                       |
| <b>Immunogen</b>   | A synthetic peptide corresponding to a sequence within amino acids 200-300 of human SLC24A4 (NP_705932.2).<br>WWAVCRDSVYYTISVIVLIVFIYDEQIVWWEGLVLIILYVFYILIMKYNVKMQAFFT<br>VKQKSIANGNPVNSELEAGNDFYDGSYDDPSVPLLGQVKEKPQY |

**Product Application Details**

|                              |                                  |
|------------------------------|----------------------------------|
| <b>Applications</b>          | Western Blot, ELISA              |
| <b>Recommended Dilutions</b> | Western Blot 1:500-1:2000, ELISA |

**Images**

Western Blot: SLC24A4 Antibody [NBP2-93198] - Analysis of extracts of various cell lines, using SLC24A4 . Exposure time: 90s.
