## NBP2-97123R

Gastrokine 1 Antibody [DyLight 550]

| Gastrokine i Antibody [DyLight 550] |  |
|-------------------------------------|--|
| Product Information                 |  |
| Unit Size                           | 0.1 ml   |
| Concentration                       | Please see the vial label for concentration. If unlisted please contact technical services.                  |
| Storage                             | Store at 4C in the dark.   |
| Clonality                           | Polyclonal   |
| Preservative                        | 0.05% Sodium Azide   |
| Isotype                             | IgG  |
| Conjugate                           | DyLight 550  |
| Purity                              | Antigen and protein A Affinity-purified  |
| Buffer                              | 50mM Sodium Borate   |
| Product Description                 |  |
| Host                                | Rabbit   |
| Gene ID                             | 56287  |
| Gene Symbol                         | GKN1   |
| Species                             | Human  |
| Immunogen                           | Produced in rabbits immunized with purified, recombinant Human Gastrokine 1 (Uniprot#: Q9NS71; Asn35-Asn199) |
| Notes                               | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                            |
| Product Application Details         |  |
| Applications                        | ELISA  |
| Recommended Dilutions               | ELISA  |
| Application Notes                   | Optimal dilution of this antibody should be experimentally determined.                                       |
|                                     |  |
