**NBP2-98007B**

Scaffold attachment factor B2 Antibody [Biotin]

| Product Information         |  |
|-----------------------------|--|
| Unit Size                   | 0.1 ml   |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.      |
| Storage                     | Store at 4C in the dark.   |
| Clonality                   | Polyclonal   |
| Preservative                | 0.05% Sodium Azide   |
| Isotype                     | IgG  |
| Conjugate                   | Biotin   |
| Purity                      | Antigen and protein A Affinity-purified  |
| Buffer                      | PBS  |
| Product Description         |  |
| Host                        | Rabbit   |
| Gene ID                     | 9667   |
| Gene Symbol                 | SAFB2  |
| Species                     | Human  |
| Immunogen                   | Produced in rabbits immunized with E. coli-derived Human Scaffold attachment factor B2 fragment. |
| Product Application Details |  |
| Applications                | Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                            |
| Recommended Dilutions       | Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                           |
