SDF2 Antibody [Biotin]

| Product Information         |                                                                                                     |
|-----------------------------|-----------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                              |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.         |
| Storage                     | Store at 4C in the dark.                                                                            |
| Clonality                   | Polyclonal                                                                                          |
| Preservative                | 0.05% Sodium Azide                                                                                  |
| Isotype                     | IgG                                                                                                 |
| Conjugate                   | Biotin                                                                                              |
| Purity                      | Antigen and protein A Affinity-purified                                                             |
| Buffer                      | PBS                                                                                                 |
| Product Description         |                                                                                                     |
| Host                        | Rabbit                                                                                              |
| Gene ID                     | 6388                                                                                                |
| Gene Symbol                 | SDF2                                                                                                |
| Species                     | Mouse                                                                                               |
| Immunogen                   | Produced in rabbits immunized with purified, recombinant Mouse SDF2 (Uniprot#: Q9DCT5; Met1-Leu211) |
| Product Application Details |                                                                                                     |
| Applications                | Western Blot, ELISA, Immunohistochemistry-Paraffin, Immunoprecipitation                             |
| Recommended Dilutions       | Western Blot, ELISA, Immunoprecipitation, Immunohistochemistry-Paraffin                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                              |
