**NBP2-98249PCP**

DR6/TNFRSF21 Antibody [PerCP]

| Product Information         |                                                                                                                      |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                               |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                          |
| Storage                     | Store at 4C in the dark.                                                                                             |
| Clonality                   | Polyclonal                                                                                                           |
| Preservative                | 0.05% Sodium Azide                                                                                                   |
| Isotype                     | IgG                                                                                                                  |
| Conjugate                   | PerCP                                                                                                                |
| Purity                      | Antigen and protein A Affinity-purified                                                                              |
| Buffer                      | PBS                                                                                                                  |
| Product Description         |                                                                                                                      |
| Host                        | Rabbit                                                                                                               |
| Gene ID                     | 27242                                                                                                                |
| Gene Symbol                 | TNFRSF21                                                                                                             |
| Species                     | Mouse                                                                                                                |
| Immunogen                   | Produced in rabbits immunized with purified, recombinant Mouse DR6/TNFRSF21 (Accession#: NP_848704.1; Met 1-His 349) |
| Product Application Details |                                                                                                                      |
| Applications                | ELISA                                                                                                                |
| Recommended Dilutions       | ELISA                                                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                               |
